# SILENT Series

## Belt drive piston compressors

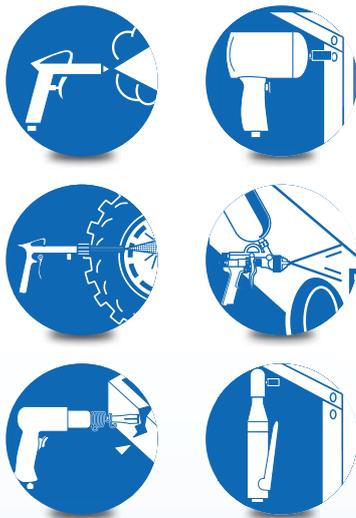

ABAC Silent range has now been extended to offer both Metal and Plastic cover versions to suit all customers requirements.

**S-A Single Stage** are fitted with the new and efficient slower running pump, giving improved reliability and lower running temperatures. This is coupled with a plastic silencing hood that can be easily opened for maintenance.

**S-B Two Stage** units are fitted with our proven two stage pump, a full plastic cover and external hour counter & oil check window for ease of use.

**LN Single and Two Stage Units** come with a Full Metal Cabinet for increased sound proofing with external gauges, clocks and switches.

### Applications

Model Name	Part Number	Tank	Air Displacement		Free Air Delivered		Noise		Motor		Volt	Bar	L x W xH (mm)
			l/min	CFM	l/min	CFM	dB(A)	Lw(A)	HP	kW
